## Agenda: Spotlight on Epidermolysis Bullosa

Feb 4, 2010

---

### Spotlight on Epidermolysis Bullosa

On February 4, 2010, the CIRM Governing Board heard from several speakers about epidermolysis bullosa (EB), a devastating childhood skin disease. CIRM funds a multidisciplinary Disease Team that is developing a stem cell-based therapy for EB.

Click the seminar title or photos below to watch each presentation. For more information, read our EB disease fact sheet.

Videos of the event are available here: [http://www.cirm.ca.gov/Spotlight\\_SkinDisease](http://www.cirm.ca.gov/Spotlight_SkinDisease)
